

AGLT2 Site Report

Tuesday 26 October 2021 17:15 (15 minutes)

We will present an update on our site since the Fall 2019 report, covering our changes in software, tools and operations. In addition, we will cover significant changes that are underway at both the University of Michigan and Michigan State University sites.

We conclude with a summary of what has worked and what problems we encountered and indicate directions for future work.

Summary

Update on AGLT2 including changes in software, hardware and site configurations and summary of status and future work.

Desired slot length

Speaker release

Yes
