

Session Program

May 9 - 13, 2022

**5th Inter-experiment Machine Learning
Workshop**

Industry Session

CERN, 500/1-001 - Main Auditorium

Tue, May 10

2:15 PM

Industry Session

Session | **Location:** CERN, 500/1-001 - Main Auditorium | **Conveners:** Pietro Vischia, Simon Akar

14:15 - 14:45

How to drive scientific progress with community-driven open source projects: the scikit-learn approach

Speaker

Alexandre Gramfort

14:45 - 14:55

Discussion

14:55 - 15:25

Hardware and software challenges for massive-scale AI

Speaker

Laurent Daudet

15:25 - 15:35

Discussion

3:35 PM

Wed, May 11

2:00 PM

Industry Session: Foundation models (IBM)

Session | **Location:** CERN, 500/1-001 - Main Auditorium | **Conveners:** Lorenzo Moneta, Anja Butter

14:00 - 14:50

Foundation Models for Accelerated Discovery

Speaker

John R. Smith

3:00 PM

14:50 - 15:00

Discussion
