- **National outreach groups w/o funding**
 - Very few (teilchen.at, GELOG, LIP Outreach)
- **Funded groups and projects**
 - Only some funded *national* projects
Large correlation to material collections
(see other talk, and weblinks there)
 - Some funded education/communication offices
 - of national networks (CPAN, INFN)
 - of local instituts (FNAL, HEPHY, SMI, ...)
- **Outreach activities of local groups**
 - Not listed (not asked for in this poll)
 - Some mentioned it, exist probably in most countries
