

International Workshop on Breakdown Science and High Gradient
Technology (HG2022)

Contribution ID: 154

Type: **not specified**

**Comparative material study of breakdown threshold
and robustness to low-energy proton irradiation**

Wednesday, 18 May 2022 14:30 (10 minutes)

Presenters: SERAFIM, Catarina (University of Helsinki (FI)); PEACOCK, Ruth (Lancaster University (GB))

Session Classification: Poster Session
