

# Particle Physics @ ASFAP

Yasmine Amhis, Zinhle Buthelezi, Mohamed Chabab,

ASFAP

18.11.2021

# Reminder to submit the LOI follow this link <https://indico.cern.ch/event/1061921/>

21 July 2021 to 1 December 2021  
Europe/Paris timezone

Overview

Call for Letters of Interest

Contribution List

Book of Letters of Interest

**Steering Committee**

✉ aslap-steeringcommitte...

Please follow the Call for Letters of Interest to submit your LOI. The letters of Interest should be 2 pages or less, including author list with affiliations, and references. The format is free style; however, a pdf file should be prepared and uploaded as attachment; in the "Content" field, simply mention that your LOI is in the attached file. Alternatively, you may type your LOI in the "Content" field and skip the attachment (least preferred option). Please take a look at the samples of LOIs on this page.

You will need to login to submit your Letter of Interest. If you don't have a CERN account, there are 2 options:

1. Scroll down the login page for the option to login with your Facebook, google, etc., credentials;
2. **Register your email by filling in this form**  
<https://account.cern.ch/account/Externals/RegisterAccount.aspx>
3. **Submit your Letter of Interest by clicking on "Submit new abstract"**

🕒 Starts 21 Jul 2021, 02:00  
Ends 1 Dec 2021, 00:59  
Europe/Paris

👤 Fairouz Malek  
Farida Fassi  
Ketevi Adikle Assamagan  
Shaaban Khalil Ibrahim  
Simon Connell

- 🔗 LOI-fromEnergyWG-ASFAP
- 📄 SNOWMASS21-CommF3\_CommF0-TF...

📄 The call for abstracts is open  
You can submit an abstract for reviewing.

[Submit new abstract](#)

They will help to have a clear view of the plans for the groups already involved and motivate other institutions everywhere from Africa to join these efforts.

# Make sure you register to the WG

## How to Register to the Working Group

1. Before proceeding further, please read the [code of conduct document](#)
- 2. Participation in the ASFAP is an acknowledgment that you have read the code of conduct document mentioned in 1) above, and you agree to abide by it in all interactions and engagements related to or on the behalf of ASFAP.**
3. If you are not a CERN user, please register your email address with CERN [here](#). Once you have registered for a CERN account, give it 24h for database synchronization.
4. if you are already a CERN account or you have completed step 1) above, you may register to email list of interest, by following this steps
  - Go [here](#)
  - If prompted, login with your CERN email or with the email that you registered in step 3)
  - Type ASFAP into the Search box and search. This will give you the list of all the ASFAP email groups
  - Click on "Subscribe" for the groups that you want

**Open to everyone, including PhDs and postdocs,  
they are the future.**

# What's next ?

- Continue the survey of activities and get to know the community.
- Organise a day for the postdocs and PhD students.
- Don't hesitate to contact us if you would like to propose ideas:
