

Course on Neutron Star Physics

Tuesday 16 November 2021

Observational characterization via EM emission: Observational characterization via EM emission - Sala de Xuntas
bloque IV / Zoom (11:00 - 13:00)

time	[id] title	presenter
11:00	[7] Basic observational aspects of pulsar classes	Dr TORRES, Diego
12:00	[14] High Energy emission of pulsars and their nebulae	TORRES, Diego
