

EMI 2010 All Hands Meeting

Tuesday, 23 November 2010

Compute Area - Lecture (13:45 - 15:30)

-Conveners: Marco Cecchi

time	[id] title	presenter
13:45	[111] Welcome and introduction	CECCHI, Marco
13:55	[14] Consolidation of MPI support of EMI compute elements: a uniform MPI user experience	FERNANDEZ, Enol
14:20	[16] Early ideas about compute CLI consolidation	HAGEMEIER, Bjorn
14:40	[15] Discussion: interoperability and harmonization plans in view of EMI-I	

Compute Area - Lecture (15:50 - 17:30)

-Conveners: Marco Cecchi

time	[id] title	presenter
15:50	[114] Overview of the ARC submission chain	SKOU, Martin
16:10	[116] CREAM computing element meets EMI	Dr ZANGRANDO, Luigi
16:30	[113] EMI Execution Service Interface	Dr ZANGRANDO, Luigi
16:50	[117] Discussion: EMI Execution Service, definition and implementation plans	

Wednesday, 24 November 2010

Compute Area - Lecture (09:00 - 10:40)

-Conveners: Marco Cecchi

time	[id] title	presenter
09:00	[118] Evaluation and assessment of the role of messaging	VOCU, Michal
09:20	[119] Status of the build for the EMI compute components
