

8th International Symposium on Symmetries in Subatomic Physics (SSP2022)

Monday, August 29, 2022

Future Facilities (5:00 PM - 5:25 PM)

-Conveners: Ben Sauer

time	[id] title	presenter
5:00 PM	[9] Systematic effects in the search of the muon electric dipole moment using the frozen-spin technique	DUTSOV, Chavdar

Wednesday, August 31, 2022

Future Facilities: Neutrinos (12:30 PM - 1:00 PM)

-Conveners: Livia Ludhova

time	[id] title	presenter
12:30 PM	[14] Status and Prospects of the DUNE and JUNO Experiments	OCHOA RICOUX, Juan Pedro

Friday, September 2, 2022

Future Facilities (10:30 AM - 11:00 AM)

-Conveners: **Martin Simon**

time	[id] title	presenter
10:30 AM	[52] Future facilities at PSI, the High - Intensity Muon Beams (HIMB) project	DAL MASO, Giovanni

Future Facilities: Muon (11:30 AM - 1:30 PM)

-Conveners: **Johann Zmeskal**

time	[id] title	presenter
11:30 AM	[104] The MESA facility	WILFERT, Malte Christian
12:00 PM	[15] Future facilities in muon research at J-PARC	YAMAZAKI, Takayuki
12:30 PM	[117] Precise measurements of fundamental quantities of muon at J-PARC	SHIMOMURA, koichiro
1:00 PM	[112] Status of the COMET experiment	Mr JANSEN, Andreas
