

Session Program

4 October 2010

ALICE ITS Ugrades

***Constraints defined by beam pipe and overall
ALICE layout***

CERN, Salle Andersson

Monday 4 October

12:35

Constraints defined by beam pipe and overall ALICE layout

Session | **Location:** CERN, Salle Andersson

12:35–12:50

Geometry and mechanical layout of present ITS

Speaker

Mario Sitta

12:50–13:05

o Beam pipe and integration issues

Speaker

Werner Riegler

13:05
