

Session Program

2-3 Dec 2021

Physics Beyond Colliders General Working Group meeting

Accelerator

Entirely Remote

Thursday 2 December

14:00

Accelerator

Session | **Location:** Entirely Remote

14:00–14:20 Accelerator Complex Capabilities

Speaker

Hannes Bartosik

14:25–14:45 Beam Dump Facility

Speakers

Matthew Alexander Fraser, Richard Jacobsson

14:50–15:10 cpEDM - status of the collaboration and next steps

Speaker

Christian Carli

15:15–15:35 Conventional beams

Speaker

Nikolaos Charitonidis

15:40–16:00 Coffee Break

16:00–16:20 Gamma Factory SPS Proof of Principle

Speaker

Yann Dutheil

16:25–16:45 Status and plans of LHC fixed target studies

Speaker

Stefano Redaelli

16:50–17:10 Forward Physics Facility

Speaker

Jamie Boyd

17:15–17:35 Technology - summary of the miniworkshops, future paths

Speaker

Sergio Calatroni

17:40–18:00 AION-100 @ CERN

Speaker

Kincso Balazs

18:05
