

From the Geosphere to the Cosmos: ASPERA Workshop

CV

Atmospheric Physics at the Pierre Auger Observatory

Bianca Keilhauer :
bianca.keilhauer@kit.edu

Karlsruhe Institute of Technology KIT / Institute for Nuclear Physics

Tel.: ++49 (0)7247 / 82-4419

www.auger.de/~keilhauer

Year of Birth: 1974

PhD: December 2003

Member of the Pierre Auger Collaboration since 2001

Co-Task Leader for Atmospheric Monitoring since 2008

Member of the AIRFLY Collaboration since 2004

Collegiate of the “Graduiertenkolleg Hochenergiephysik und Astroteilchenphysik“ 2001 - 2006

Member of the (K)CETA – (KIT) Centrum Elementarteilchen- und Astroteilchenphysik since 2004

Member of the KIT Young Investigator Network YIN

Several short-term research stays in

2008

Malargüe – Argentina

Rome – Italy

Chicago – USA

Krakow - Poland

Jan – Jun 2006

Guest-scientist at the Universidad Complutense de Madrid,
Departamento de Física Atomica, Molecular y Nuclear,
Prof. F. Arqueros, Spain
