

Session Program

25-27 Oct 2010

Annual Workshop on Crystal Collimation

Resume LHC Session

CERN, IT Auditorium
31/3-004

Tuesday 26 October

14:00

Resume LHC Session

Session | **Location:** CERN, IT Auditorium, 31/3-004

14:00–14:15

Motivation and issues

Speaker

Roberto Losito

14:15–14:30

Layout requirements

Speaker

Valentina Previtali

14:30–14:45

Crystal and goniometer requirements

Speaker

Alexander TARATIN

14:45–15:00

View on Bent Crystal Technique from LHC Collimation

Speaker

Ralph ASSMANN

15:00–15:30

Discussion: Experimenting in the LHC Environment

Speaker

Rüdiger SCHMIDT

15:30
