

Tenth International Fermi Symposium

Wednesday 12 October 2022

Parallel 8: Solar (14:15 - 15:30)

-Conveners: Nicola Omodei

time	[id] title	presenter
14:15	[94] Fermi LAT observation of the Moon	LOPARCO, Francesco
14:30	[83] Study of gamma rays from the Small Solar System Bodies with the Fermi-LAT data	Mr DE GAETANO, Salvatore
14:45	[173] _	
15:00	[95] Investigation of Coronal Mass Ejection Driven Shock in Relation to the Fermi-LAT Long-Duration Solar Flares using Data-driven Global MHD Simulations	JIN, Meng
15:15	[96] Cosmic Ray Electron Transport and Radiation in the Inner Heliosphere and X-ray and Gamma-ray Observations of the Quiet Sun	PETROSIAN, Vahe'
