#### **SiPM Radiation Wiki**

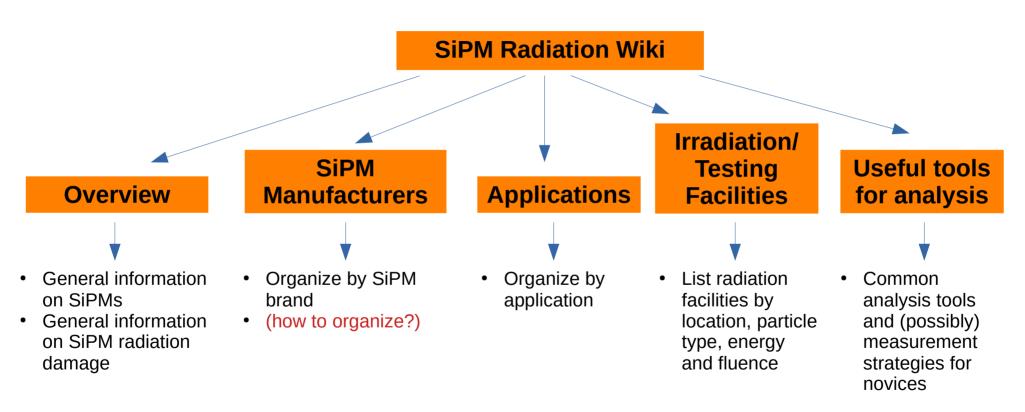

1

Johannes Hulsman

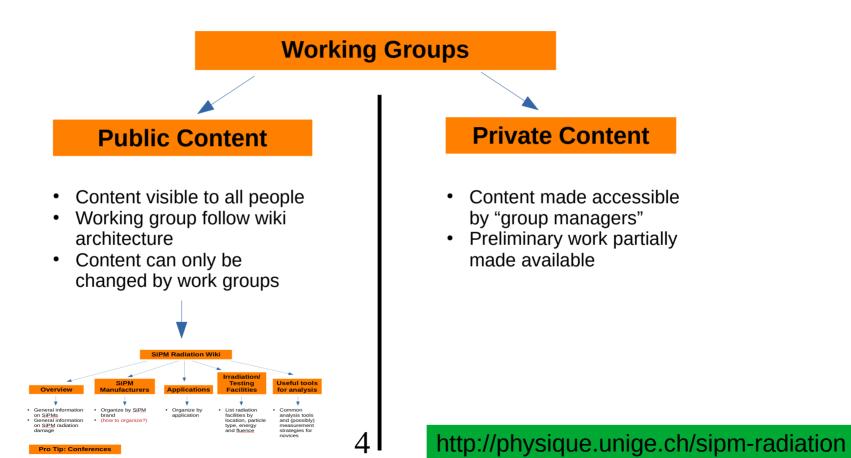

## Goal

- Overview of (any type of) radiation measurements for SiPMs
- Organize/centralize what we know so far
- List standard conventions/best practises
- Simply search for "experts" (i.e. "Who might know something about radiating protons at 200MeV)
- Suggest facilities where SiPMs could be irradiated
  - What particle
  - Energy
  - Fluence

### Wiki Architecture
