

17th „Trento“ Workshop on Advanced Silicon Radiation Detectors: Freiburg, March 2-4 2022

Ulrich Parzefall

17th “Trento” Workshop virtually in Freiburg

- These are very difficult times - Thank you all for being here
- I thought Covid was the problem, but the war against Ukraine overshadows everything
- I am appalled by and utterly condemn the military invasion of Ukraine, and the senseless suffering of people in Ukraine

General Info

- **155 Registered participants**
- **45 Presentations during 3 days**
 - 20 minutes incl. questions (15' + 5')
 - Please upload your slides well in advance, at the latest during the session prior to yours
- **Conference photo tomorrow after first session**
- **Several warnings about publicly visible zoom meetings being hijacked were received**
- **Zoom link changed and now sent to participants only**
 - Please do not share the link or expose it to the public!

Coffee Breaks

- Informal discussions in smaller circles during coffee breaks, lunches and dinners essential to Trento Workshops!
- Not possible to replace in large Zoom Meeting
- Virtual coffee breaks will happen here: <https://play.workadventure.physik.uni-freiburg.de>
- Allows for walking around, having discussions with different people in smaller groups
 - Video and audio is enabled once you are in a “coffee room” or other meeting place

Workadventure Coffee Breaks

- Should work on most PCs, tablets, phones
- Initial settings
 - Close other applications which use microphone and camera
 - Enter a name
 - Choose an avatar (WOKA) by going through the menu or customise your own (Beware that the standard customised avatar is naked!)
 - Give site permission to use camera and microphone
- Some browsers (e.g. some versions of Safari) can have problems
- Mobile users have to download the Jitsi Meet app (<https://play.google.com/store/apps/details?id=org.jitsi.meet&hl=en&gl=US>)

Workadventure Basics

- Move with arrow keys, W A S D keys, or by clicking with mouse
- Up to four people can be in a video call outside of meeting rooms if they are close enough together
- When entering meeting rooms it takes a few seconds for the video call to start, initially a small white border will appear at the right side of the screen
- All settings (also avatar customisation) can be changed in the menu (coffee cup at top left of screen)
- Please move away from the spawn point at the start, otherwise people will keep popping up into your conversations

Workadventure Map

- Yellow Zone = Spawn
- Red Zones = Meeting Rooms
- All indoor meeting rooms are visualised by carpets and open upon entering
- The outside meeting rooms are the bridges or marked by white flowers and can be opened by pressing enter when inside the area (Pop-up appears)
