<https://indico.cern.ch/event/1090254/>

Present planning

- December 2021:

Open the call for applications: circulate it to all I.FAST and ESI partner Universities

- 31st January 2022: Deadline for applications
- 31st March 2022: Successful applicants notified
- Early July: First online to get together
- Tuesday 26/07/22 to Wednesday 3/08/2022: Challenge at ESI Archamps
- Thursday 4th August 2022: Presentation to the Jury at CERN

Seminars

- Give to participants an access to high level expertise.
- Six seminars/events will be organized before the challenge to bring them up-to-date on accelerators and on environmental challenges.
- Seven seminars will be organized during the challenge so that they can meet and exchange with high level experts.
- We are looking for high level experts on accelerators and on the environment.

Which experts to invite ?
