

Session Program

6-10 Dec 2021

Zimányi School 2021

Plasma Dynamics and Other Topics

Eötvös University, Lágymányos Campus, Northern Building, 7.22 Kari Tanácssterem (7th floor Council Room)
1113 Budapest, Pázmány Péter sétány 1/a.

Tuesday 7 December

16:30

Plasma Dynamics and Other Topics

Session |**Location:** Eötvös University, Lágymányos Campus, Northern Building, 7.22 Kari Tanácssterem (7th floor Council Room), 1113 Budapest, Pázmány Péter sétány 1/a.

16:30–16:55

Particle dynamics in strong electromagnetic fields

Speakers

Johann Rafelski, Johann Rafelski

16:55–17:20

Covariant Linear Response for Collisional Plasmas

Speaker

Martin Formanek

17:20–17:38

Electromagnetic Response in QGP in Heavy Ion Collisions

Speaker

Christopher Grayson

17:38–18:03

How to find a Quantum Pion Liquid in cold, dense QCD

Speaker

Robert Pisarski

18:03
