

SERESSA 2022

5th to 9th of December at CERN, Geneva

Participant Instructions

Ygor Aguiar, CERN

CERN access

[Indico] Action required: Access to the CERN site for 18th International School on the Effects of Radiation on Embedded...

To: Ygor Aguiar

[Details](#)

☐ You need to fill in the access request form sent to your email:

☐ Once completed, you will receive your CERN visitor badge in your email.

- Please, print it and present it along with a valid identity document to the CERN reception in Building 33. A badge holder will be provided and you must wear it all the time.

18th International School on the Effects of Radiation on Embedded Systems for Space Applications

[SERESSA 2022] Registration

ref: #2

Dear Ygor Aguiar,

The organizers of the event "18th International School on the Effects of Radiation on Embedded Systems for Space Applications" have requested access to the CERN premises for you for the period: 2 Dec 2022 (7:00) to 12 Dec 2022 (19:00). In order to grant you access to the site, we need you to provide some personal information in [this form](#) that our Host States authorities require for security reasons.

In accordance with CERN's data privacy policy, this data will be deleted from our database as soon as it is not required anymore.

Upon reception of this data, you will receive an automatic email, with your access ticket in PDF format and an access code.

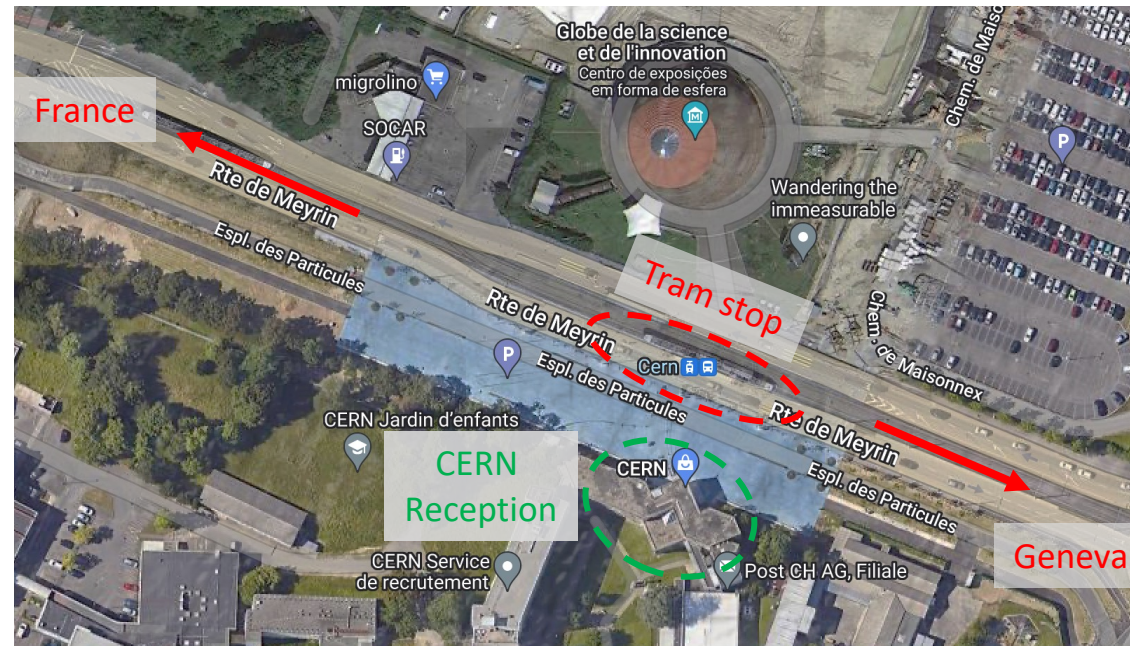

Please note that no access to the CERN site will be granted without complying with this formality.

If you already have a CERN access card which will be valid on the day of the event please ignore this email as you do not need to request specific access for this event.

We look forward to welcoming you at CERN.

Transport to CERN Meyrin Site

- ❑ From the train station **Cornavin**, you can take the **tram 18** direction Meyrin, CERN. The last stop, named CERN, is located just in front of the CERN Reception (Building 33) – see picture below.
- ❑ From the Geneva Airport, you will need to take a bus (23, 28 or bus 57) to Blandonnet and then the tramway 18 until the last stop, CERN.
- ❑ For more information, please check out at: [Directions | CERN \(home.cern\)](#)

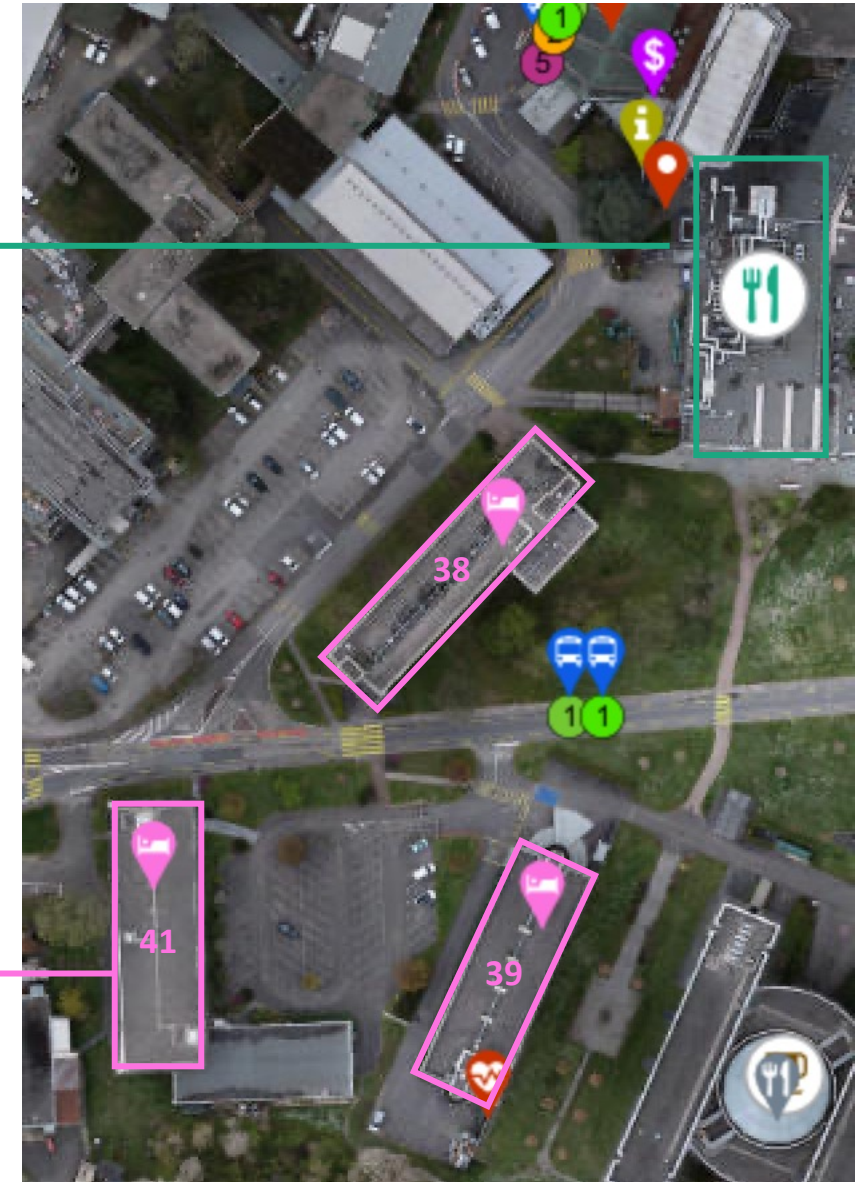

CERN Hotel

- ❑ If you're hosted at **CERN Hotel**, you should go directly to the Hotel Reception in **Building 39** - see in the picture:
- ❑ You will be allocated in one of the 3 hotel buildings available in Meyrin site.
 - **Building 38, 39 or 41**
- ❑ Breakfast is **not** provided in the Hotel but **Restaurant 1 (R1)** is only some steps away.

SERESSA Technical Visits

Technical Visits to CERN installations

Two visits are scheduled between 15h and 17h on Friday, 9th of December, 2022:

- to the Synchrocyclotron (SC), the first accelerator at CERN, and;
- to ATLAS, one of the LHC experiments.

Are you attending to the technical visits? *

☐ No, I won't be attending the visits.

☐ Yes, I want to visit the Synchrocyclotron (SC) from 15h10 to 15h50.

☐ Yes, I want to visit the ATLAS experiment from 16h00 to 16h40.

☐ Yes, I want to visit the ATLAS experiment from 15h10 to 15h50.

☐ Yes, I want to visit the Synchrocyclotron (SC) from 16h00 to 16h40.

Attention: limited places available, please, only confirm it if you really intend to attend!

Your answers will be associated with your account.
