

This document is also present in the Home page in "Materials"

Dear participant,

we are very happy to host the 8th International Symposium on Negative Ions, Beams and Sources. We will meet in a few days in Padova so we want to give you some additional infos.

HOTEL and LUNCHES

The conference organization did not take care about your hotel booking, we hope you are all in the neighborhood of the Botanical Garden. Maps on How to reach the conference venue are available on the website homepage. For lunch you will find around the Botanical Garden several places (bar, bistrot, pizzeria, restaurant) at a walking distance.

PRE REGISTRATION AT HOTEL CASA DEL PELLEGRINO – Sunday 2 October 16.00 ÷ 18.00

We will organize a desk for registration in "Sala Giotto" just aside Hotel Casa del Pellegrino (see [maps](#) on the website homepage). The staff will need to scan your **QR code** produced by the Ticket of your Application on Indico. So remember to bring the Ticket either on paper or on your mobile phone.

The Staff will give you the badges that you must always wear in a visible way in each congress venue: it will be your pass.

No mask is mandatory inside the Hotel. However masks are recommended and attention is always required.

REGISTRATION AND OPENING SESSION – Monday 3 October

From 8.00 to 9.00 Registration will be open at Orto Botanico (see venue maps on the website homepage). Please remember to bring the Ticket either on paper or on your mobile phone.

POSTERS

The poster sessions will only take place by remote connection through [Gathertown](#) platform. Once you created your avatar you can enter the rooms and reach the poster room where the posters of the two sessions will be available. Poster "panels" will be marked with the ID number of your poster. Please check your session on the Timetable webpage of the website.

For all information about uploading contributions please read carefully the web page: [8th International symposium on Negative Ions, Beams and Sources - NIBS'22 \(2-7 October 2022\): Instructions for contributors · Indico \(cern.ch\)](#)

TUTORIALS, ORALS AND SHORT ORALS

The oral sessions will allow contributions both in presence and remote. Attendees can connect by Zoom or via Gathertown (see below). Please check your session on the Timetable webpage of the website.

For all information about uploading contributions please read carefully the web page: [8th International symposium on Negative Ions, Beams and Sources - NIBS'22 \(2-7 October 2022\): Instructions for contributors · Indico \(cern.ch\)](#)

GUIDED TOUR AT ORTO BOTANICO AND WELCOME RECEPTION – Monday 3 October

After the afternoon sessions you will enjoy the guided tour of Orto Botanico and Greenhouses (divided in groups).

After the tour the Welcome Reception with drinks and food will wait for you in the Foyer and outside the Greenhouses.

No mask is mandatory inside Orto Botanico. However masks are recommended and attention is always required.

CONFERENCE DINNER – Wednesday 5 October

It will take place at Caffè Pedrocchi (just in front of Palazzo Bo, see the maps on the website homepage). The dinner will be set up in Sala Rossini at the first floor. The entrance will be from Via VIII Febbraio, 15 through the monumental staircase. (see maps on the website homepage). Remember to wear your badge.

No mask is mandatory inside Caffè Pedrocchi. However masks are recommended and attention is always required.

We ask you for kindly notifying the conference desk secretary if you do not intend to participate in the conference dinner.

EXCURSION – Thursday 6 October

We will have the pleasure of accompanying you on an excursion to the islands of the Venice lagoon: Murano and Burano.

The excursion starts from Prato della Valle with the bus which, at 13.00 will leave for Fusina Terminal, where our guide will wait for us and will accompany us to the boarding of the Vivaldi motor ship.

We will arrive at the islands along the Giudecca Canal. We will have a privileged view of Venice. The first stop will be on the island of Murano where we will also be able to witness the processing of glass. The second stop will be on the island of Burano, famous for its colorful houses and for the art of lace.

During the return navigation we will be able to admire San Marco Basin with the light of the sunset.

The return to Padua by bus is scheduled around 20.00 - 20.30.

During the navigation, masks are mandatory.

SESSIONS AT CONSORZIO RFX and GUIDED TOUR – Friday 7 October

On Friday 7 October the conference will move to Consorzio RFX facilities. At 8.00 a private bus in Prato della Valle will accompany all participants to the headquarters of Consorzio RFX. (see maps on the website homepage).

In the Conference room at the third floor of the NBTF building the last 2 sessions and the closing will take place. In the afternoon, after the Closing session, the Attendees will be divided into 2 groups and will follow the guides in the tour of RFX and NBTF facilities.

No mask is mandatory inside the facilities, in any case masks are recommended and attention is always required.

We ask you for kindly notifying the conference desk secretary if you do not intend to participate in the guided tour.

At the end of the tour the bus will take you back downtown. FFP2 mask is mandatory on the bus.
