

Introduction

Attila Krasznahorkay, Christopher Jones, Kyle Knoepfel

Some Stuff...

- Not much of an introduction for today...
- I guess most of us are busy with Acat at the moment
 - I did learn about a “new” framework just today at it 😊
 - <https://indico.cern.ch/event/855454/contributions/4605036/>
- Today we'll hear about CMS's efforts with event generation 😊

Happy Holidays!
