Sunday, 15 May 2022

Session 13: Cosmology and Gravitation (2) (11:10 - 12:20)

-Conveners: Makoto Tomoto

time	[id] title	presenter
11:10	[92] New Manifestations of Primordial Black Holes	TAKHISTOV, Volodymyr
11:30	[93] Primordial black holes as a probe of first-order electroweak phase transition	HASHINO, Katsuya
11:50	[94] Space gravitational wave antenna DECIGO	KAWAMURA, Seiji
