Connecting the Dots 2022
Wrapup slides

David Lange (Princeton University)
for the local and international organizers

Proceedings for CTD2022 contributions

- Contributions are optional, but we encourage everyone to write and submit a paper based on their contribution. Proceedings will be peer reviewed by CTD IAC committee and other experts, and then published online.
  - Submission deadline is **July 15, 2022**.
  - If you plan to submit a proceedings please also indicate that via this form by June 15 so that we can start to organize the reviews.
- Suggested page limits, including the title page:
  - 8 pages if you had a 25+5 minute talk
  - 6 pages if you had a 15+5 minute talk
  - 6 pages if you had a poster
- See the CTD2022 website for templates.

Next steps

- Zoom recordings for all talks should be up next week (assuming all of the recordings worked)

- Please help us by completing a short survey: [on this google form](#)

- Don't worry if you do not have time now, we will follow up via email about proceedings and this survey.

- Have a safe trip home or see you tomorrow for the GNN workshop

  - [No organized food tonight – breakfast 8:30 for those coming to the GNN workshop]

Thank you for coming
