

Application form for the students

- Implement on Indico in the Registration section (actual registration of students and lecturers will open later)

OR

- Implement on Google Forms or another web site

The screenshot shows a web interface for a student application form. On the left is a navigation menu with options: Overview, Scientific Programme, Timetable (compact), Registration, Participant List, and a profile for Sergey Kononov (DetSchool22@inp.nsk.su). The main content area is titled 'Application' and 'Student application form'. It includes contact information for s.a.kononov@inp.nsk.su and a note: 'Please provide the required information and documents to apply for participation as a student.' A warning box states: 'Participation in this event is moderated. The organizers will have to approve your application.' The 'Personal Data' section contains fields for Title, First Name (Sergey), Last Name (Kononov), Email Address (s.a.kononov@inp.nsk.su), Affiliation (BINP), and Country. A green message indicates: 'The registration will be associated with your Indico account.' The 'Application form' section includes a Position field, a Main field of study field, and three reference letters (Curriculum vitae, Reference letter 1, and Reference letter 2), each with a 'Choose File' button and a 'No file chosen' status. A note at the bottom says: '(All the fields marked with * are mandatory)'. An 'Apply' button is at the bottom right.
