

# Way forward?

- **Organisation:**

- Events overlapping as much as possible with existing centre events
- We propose the topic of our yearly workshop in-depth discussions on the way forward
- Invited speakers and seminars to map possible new opportunities, directions or focus areas?
- Nordic discussion?
- Final discussion - possibly at Spåtind if organised in 2023

- **Open invitation to all interested, special invitation to theory**

- **Young researcher involvement important, how do we ensure this?**

- **Scientific Advisory Board?**

- **Other topics?**
