

Session Program

14-17 Feb 2022

MUON Collider Study Meeting #1
General

Monday 14 February

13:00

General

Session

13:00–13:15

European Accelerator R&D Roadmap

Speaker

Dave Newbold

13:20–13:35

Muon Collider Collaboration Governance

Speaker

Jochen Schieck

13:40–14:00

Muon Collider Collaboration Plans

Speaker

Daniel Schulte

14:05–14:25

Muon Collider in European Accelerator Roadmap

Speaker

Mark Palmer

14:30–14:50

ECFA Roadmap

Speaker

Karl Jakobs

14:55–15:10

Snowmass News

Speaker

Joel Butler

15:30

16:00

General

Session

16:00–16:10

Staging Accelerator Considerations

Speaker

Daniel Schulte

16:15–16:35

Physics View on Staging

Speaker

Roberto Franceschini

16:40–17:00

Synergies for Physics

Speaker

Akira Sato

17:05–17:25

Learning from other accelerators

Speaker

Shinji Machida

17:30–17:50

Muon Collider Synergies in US View

18:00

Speakers

Diktys Stratakis, Diktys Stratakis
