

## **Session Program**

**7-10 Feb 2022**

# **2022 Chung-Ang University Beyond the Standard Model Workshop**

***Inflation1***

Tuesday 8 February

13:40

Inflation1

Session | Location: Department of Physics, Chung-Ang University, Seoul, Republic of Korea.

13:40-14:30 How to realize inflation, and, how to use inflation

Speaker  
Masahide Yamaguchi

14:30-15:00 Effective field theory of waterfall in hybrid inflation

Speaker  
Jinn-Ouk Gong

15:00-15:30  
Reconstructing inflationary potential from power spectrum using generalised slow-roll approximation

Speaker  
Ki-Young Choi

15:30
