

## **Session Program**

**7-10 Feb 2022**

# **2022 Chung-Ang University Beyond the Standard Model Workshop**

***Inflation2***

## Wednesday 9 February

13:40

### Inflation2

Session | Location: Department of Physics, Chung-Ang University, Seoul, Republic of Korea.

13:40-14:30 **QCD Axion Dark Matter in the presence of Peccei-Quinn breaking**

**Speaker**

Fuminobu Takahashi

14:30-15:00 **Axionic Unification of Inflaton and Dark Matter**

**Speaker**

Wen Yin

15:00-15:30

**Out-of-equilibrium dark matter: production and cosmological signatures**

**Speaker**

Mathias Pierre

15:30
