

23rd Virtual IEEE Real Time Conference

Monday, 1 August 2022

Invited Talk: Atmospheric Neutron Effects in Advanced Microelectronics, Standards and Applications (11:30 - 12:15)

time	[id] title	presenter
11:30	[130] Neutron Single Event Effects In Advanced Micro-Nano-Electronics - Tests Standards And Applications In Avionics, In Physics Or Fusion Research and Radiotherapy Facilities	LERAY, Jean-Luc
