

10th Edition of the Large Hadron Collider Physics Conference

Monday, May 16, 2022

Outreach, Diversity and Education: Outreach, Diversity & Education session 1 (5:00 PM - 6:45 PM)

-Conveners: Suchita Kulkarni; Adriana Telesca

time	[id] title	presenter
5:00 PM	[185] Monitoring and promotion of diversity in the Asian landscape	GOSWAMI, Srubabati
5:22 PM	[186] Diversity activities in theory	TAYLOR, Marika
5:44 PM	[188] Inclusion of the visually impaired community with Tactile Collider	APPLEBY, Robert Barrie
6:06 PM	[187] Diversity monitoring at the LHC and small experiments	BEN HAIM, Eli

Wednesday, May 18, 2022

Outreach, Diversity and Education: Outreach, Diversity & Education session 2 (2:15 PM - 3:45 PM)

-Conveners: **Violaine Bellee; Muhammad Alhroob**

time	[id] title	presenter
2:15 PM	[181] Outreach during pandemic at CERN	NAYAK, Tapan
2:37 PM	[182] Particle physics educational activities in times of pandemic	SHAW, Kate
2:59 PM	[183] The African School of Fundamental Physics and Applications from the point of view of education	KA, Oumar
3:21 PM	[184] Building the High Energy Network – for the benefit of its members and the Lab	BRAY, Rachel
