

10th Edition of the Large Hadron Collider Physics Conference

Tuesday, May 17, 2022

Plenary I: Beyond the Standard Model - Feeble Interactions (12:00 PM - 2:00 PM)

-Conveners: Jamie Boyd; Kingman Cheung

time	[id] title	presenter
12:00 PM	[512] Ideas and motivation for feebly-interacting sector	THAMM, Andrea
12:30 PM	[514] Searches with prompt particles	WU, Yusheng
1:00 PM	[513] Searches with displaced particles	ESCALANTE DEL VALLE, Alberto
1:30 PM	[511] Prospects for non-conventional future experiments	BATELL, Brian Thomas
