

Session Program

18-29 Jul 2011

Dark Matter underground and in the heavens - DMUH11

Session on 'Collider Searches: certainties and uncertainties'

CERN, TH Theory Conference Room

Monday 25 July

14:30

Session on 'Collider Searches: certainties and uncertainties'

Session | **Location:** CERN, TH Theory Conference Room

14:30–15:00

Dark Matter searches in CMS

Speaker

Albert De Roeck

15:00–15:30

Dark Matter searches in ATLAS

Speaker

Alan Barr

15:30–16:00

Certainties and Uncertainties in Collider Searches for Dark Matter

Speaker

Tim Tait

16:00
