

Session Program

18-29 Jul 2011

Dark Matter underground and in the heavens - DMUH11

Session on 'Indirect Searches: certainties and uncertainties'

CERN, TH Theory Conference Room

Tuesday 26 July

09:30

Session on 'Indirect Searches: certainties and uncertainties'

Session | Location: CERN, TH Theory Conference Room

09:30-10:00

Indirect Dark Matter Search with Imaging Atmospheric Cherenkov Telescopes

Speaker

Adrian Biland

10:00-10:30

GAPS

Speaker

Rene Ong

10:30-11:00

Dark Matter distributions including baryons: status, uncertainties

Speaker

Andrew Zentner

11:00
