

Status of 3D detector productions at CNM

Thursday 18 November 2010 16:00 (20 minutes)

I will report on the fabrication of new 3D detectors devices for the Atlas 3D collaboration and other CERN experiments.

Author: Dr PELLEGRINI, Giulio (Centro Nacional de Microelectronica CNM-IMB-CSIC)

Presenter: Dr PELLEGRINI, Giulio (Centro Nacional de Microelectronica CNM-IMB-CSIC)

Session Classification: 3D sensors
