

# Room temperature annealing of the CCE in p-type Si sensors

*Thursday 18 November 2010 09:20 (20 minutes)*

Set of annealing measurements taken after ~ 200 days annealing at room temperature

**Primary author:** Dr CASSE, Gianluigi (Department of Physics)

**Presenter:** Dr CASSE, Gianluigi (Department of Physics)

**Session Classification:** Development and Characterization of Strip and Pixel Sensors
