

# 31st International Symposium on Lepton Photon Interactions at High Energies

Contribution ID: 217 Contribution code: P8

Type: **Poster**

## Higgs boson mass measurement at CMS

*Monday 17 July 2023 17:43 (1 minute)*

The detailed methodology and results of CMS for the most recent Higgs boson mass measurements are presented.

**Author:** KORYTOV, Andrey (University of Florida (US))

**Presenter:** KORYTOV, Andrey (University of Florida (US))

**Session Classification:** Reception and poster presentation

**Track Classification:** Collider precision
