

At the end

- Transport back to the city is just reversing the way you got here
- Next week you will receive a survey from ASN events about the conference.
- Information about proceedings will go out next week
 - Deadline for submission will be mid September
 - They will be reviewed by the IAC/LOC
 - We will not trace you down and not extend deadline
- Many thanks to everybody involved in organising (IAC, LOC, student helpers)

Many thanks!

It has been a good week for Australia, Denmark and Particle Physics

Many thanks to our sponsors
