

Twelfth CW and High Average Power RF Workshop

Monday, September 12, 2022

Industrial presentations - 80/1-001 - Globe of Science and Innovation - 1st Floor (5:00 PM - 5:45 PM)

time	[id] title	presenter
5:05 PM	[13] Solid State amplifiers up to 350kW	Mr ROSA, Carlos
5:10 PM	[4] High Stability Klystron Modulator for Commercial Accelerator Application	Dr GAUDREAU, Marcel KEMPKES, Michael
5:15 PM	[33] New Solid State Power Amplifier will be soon merge both Broadband & Large-power performance	KOBANA, riichiro
5:20 PM	[28] Highly Reliable Industrial Solid-State RF Amplifier for Synchrotron Light Sources	NEDOS, Mirco
