

# FIPs 2022 Proceedings:

Repeat the successful experience of FIPs 2020 proceedings:  
143 citations in 20 months, about 1 citation every 4 days  
Published on a peer reviewed journal (EPJC).

## FORMAT:

A unique report, with individual contributions,  
harmonized and digested in order to provide  
the reader with a clear view of the status of the field,  
its open questions, and main directions.  
Length of individual contributions:  
8 pp (30' talk), 6 pp (20'), 5pp (15').

## DEADLINE:

Please, send us

# *FIPs in the ALPs*

Les Houches School of Physics, 14 – 19 May, 2023

<https://www.houches-school-physics.com/ecole-de-physique-des-houches/>

The Programme will be a series of lectures on FIP physics given by experts in the field.

Attendance restricted to 50-60 people (priority to young researchers and PostDocs).

An excellent occasion to continue the discussions that we had these days in a beautiful place!

Please, send us ([FIPs2022-Organizing-Committee@cern.ch](mailto:FIPs2022-Organizing-Committee@cern.ch)) your application by 1st March 2023.
