

XVI workshop on resistive
platechambers and
related detectors

Second bulletin

CERN, 6 May 2022

We are pleased to announce that **the registration and the abstract submission** to the RPC2022 conference are now open at the conference indico page:

<https://indico.cern.ch/event/1123140/> .

The deadline for abstract submission is July 1st, 2022.

We would like to invite participants to submit abstracts for oral presentations as well for posters that will be displayed during a dedicated session.

The deadline for registration is August 12th 2022.

Please follow the instructions on the indico web page on how to register and pay the fee. Few fellowships will be available for young scientists to cover allowance and the fee. Please submit a motivation letter in the registration indico page to support your request.

Additional information about accommodation and accessibility at CERN are available at dedicated sessions of the indico page. In case of enquiries please contact:

rpc.2022@cern.ch or visit the web page: <http://rpc2022.web.cern.ch>
