

RPC 2022

XVI Workshop on Resistive Plate Chambers and related detectors

CERN, September 26 - October 1st, 2022

Best Oral Contributions

presented by young researchers

Jianing Liu

*Study of time resolution of MRPC for
cosmic rays and 0.511MeV photons*

and

Giorgia Proto

*On a new environment-friendly gas
mixture for Resistive Plate Chambers*

The Awards Committee selected these contributions based on quality content, presentation and organization.
