T2_BR_SPRACE CMS Tier-2 Cluster

Wednesday 27 April 2022 15:00 (20 minutes)

BR-SP-SPRACE is a Tier 2 of the WorldWide LHC Computing Grid (WLCG) which processes, analyzes and stores data generated by the Compact Muon Solenoid(CMS) experiment. We will present a brief status of the cluster after the Run-2 of the experiment and what to expect for the Run-3 data processing.
