

Welcome to CERN School of Computing 2022

4th to 17th September 2022
Kraków, Poland

CERN
School of Computing

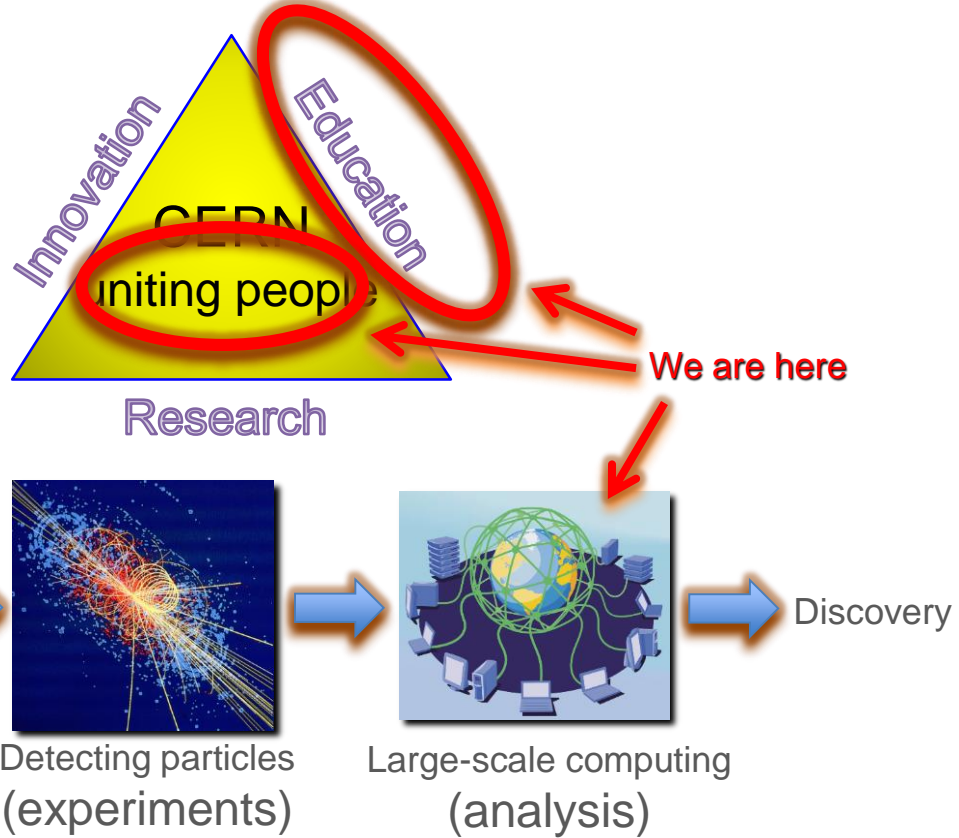

<https://indico.cern.ch/e/CSC-2022>

Sebastian Łopieński
CERN School of Computing director

CERN's mission

A school with a long history

- The school was created in **1970**
 - 43rd edition in 2022
- **3000** students of ~80 different nationalities have followed the school
- The school has visited 22 countries
 - <https://cern.ch/CSC/history/past-schools/>
 - recently: France, Croatia, Romania, Israel, Spain, Belgium, Greece, Portugal ...
 - **Poland hosted CSC 1978 and CSC 1999**

Bridging science and computing

- Technological evolution in computing empowers science
 - especially in data-intensive domains such as High Energy Physics
 - **computing is the main strategy** for many scientific fields to do research efficiently on a large scale
- It is nowadays essential that:
 - **scientists master computing technologies** as a main tool for their research
 - **computer engineers understand the scientific needs** in order to deliver computing services to research projects

Academic dimension

CERN School of Computing...

- is **not a conference**
 - lecturers do not present their work or promote their projects
- is **not a training session**
 - not a replication of training courses available at home institutes or online
 - focus on persistent knowledge, less on know-how

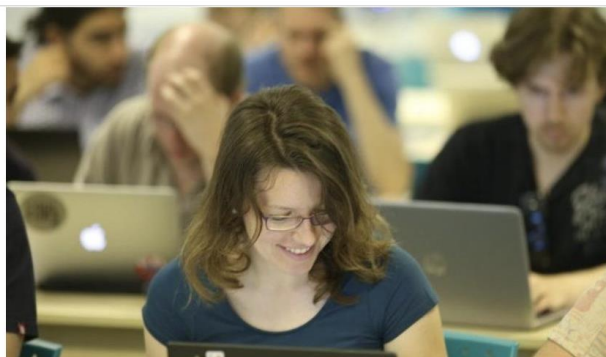

Three CERN Schools of Computing

tCSC 2022

Thematic School 10th edition, will take place at Cargèse, Corse-du-Sud (FR), from 1 to 7 May 2022 – Applications are now closed

tCSC security 2022

Thematic School on Security, will take place in Split, Croatia (HR), from 19 to 25 June 2022 – Applications are now closed

CSC 2022

Main School 2022 43rd edition will take place in Krakow (PL), from 4 to 17 September 2022 – Apply!

Welcome to the 43rd CERN School of Computing (CSC) 2020.
The school will take place from August 24 to September 4, 2020, in the beautiful city of Kraków - Poland.

CANCELLED

This year's School is organized in collaboration with AGH University of Science and Technology (AGH), together with Institute of Nuclear Physics, Polish Academy of Sciences (IFJ PAN).

4th to 17th September 2022

CSC 2022 academic programme

<https://indico.cern.ch/event/1125271/program>

Physics Computing

Introduction to Physics Computing
Data Science and Interactive Data Exploration
Data Analysis
Introduction to Machine Learning

Software Engineering

Tools and Techniques
Software Design in the Many-Cores Era
Creating Secure Software

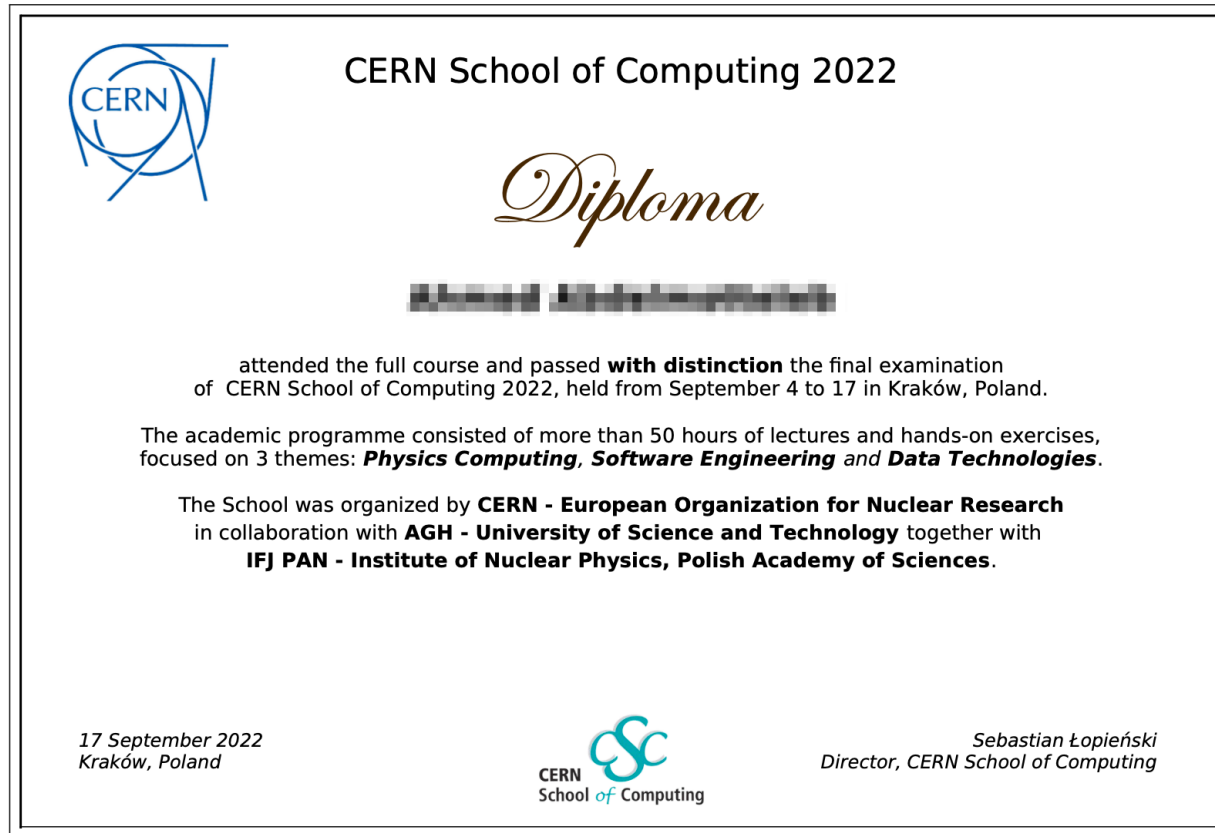

Data Technologies

Data Management
Data and Storage Technologies
Data Visualization

CUDA training, student lightning talks, guest lectures

60 hours
of classes

Exam → diploma and 5 ECTS points

But what gives the most value
to the School?

Participants (**you!**)

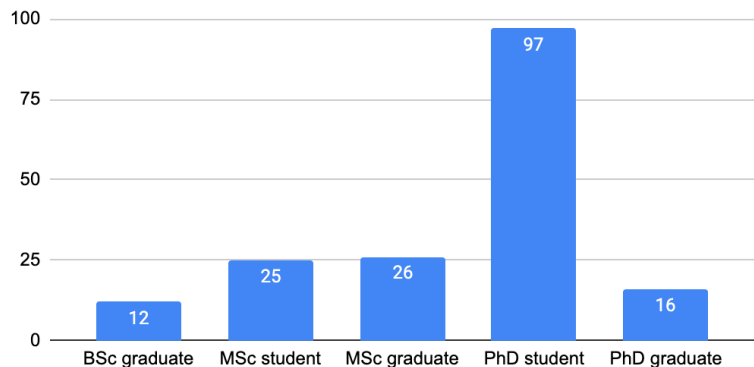

<https://indico.cern.ch/event/1125271/page/24333-participants>

 Applications **176**

84 students selected and invited
(minus 2 late withdrawals)

- 42 different nationalities
- 33 female applicants (19%)

- 33 different nationalities
- 20 female participants
- 48 different institutes from 17 countries

Diverse, talented, passionate about science and technology

It's a small world

All top scientists knows each other very well

School rules

CSC Rule #1

Participate

- Attendance at all lectures and exercises is mandatory
- You should attend all meals and coffee breaks
- Taking part in social and sports events is **optional**
 - You must let us know whether you participate or not

CSC Rule #2

Be on time

Check what the schedule says:

- “*Lecture starts at 9:00*” => You must be in the room before 9:00
- “*The bus leaves at 18:00*” => It will leave at 18:00

If you're late, we won't wait

CSC Rule #3

Wear your badge

Tom Dack

Science and Technology Facilities
Council (STFC), United Kingdom

CERN School of Computing 2022
Kraków, Poland – 4-17 September

Elena Busch

Columbia University, New York
City, United States

CERN School of Computing 2022
Kraków, Poland – 4-17 September

Ahmed Abdelmottaleb

University of Warwick, United
Kingdom

CERN School of Computing 2022
Kraków, Poland – 4-17 September

Mauricio Ayllon Unzueta

NASA Goddard Space Flight
Center, United States

CERN School of Computing 2022
Kraków, Poland – 4-17 September

Maciej Giza

Institute of Nuclear Physics PAN,
Krakow, Poland

CERN School of Computing 2022
Kraków, Poland – 4-17 September

Finn Feindt

DESY, Hamburg, Germany

CERN School of Computing 2022
Kraków, Poland – 4-17 September

CSC Rule #4

**ENJOY AND PROFIT
FROM THE SCHOOL!**

Thank you
