

TWEPP 2022 Topical Workshop on Electronics for Particle Physics

Monday, September 19, 2022 - Friday, September 23, 2022

Scientific Program

ASIC

Optoelectronics and Links

Packaging and Interconnects

Power, Grounding and Shielding

Production, Testing and Reliability

Programmable Logic, Design Tools and Methods

**Systems, Planning, Installation, Commissioning
and Running Experience**

Radiation Tolerant Components and Systems

Trigger
