

Introduction

Benedikt Hegner (CERN), Kyle Knoepfel (FNAL),
Matti Kortelainen (FNAL), Vakho Tsulaia (LBL)

March 2, 2022

First meeting of the year

- Changes in conveners
 - Many thanks to Attila and Chris!
 - Benedikt, Matti, and Vakho joined Kyle
- We plan to have a meeting on the first Wednesday of each month at 16:00 CERN time
 - Occasionally some meeting(s) may end up canceled, we will notify also cancellations
- Potential future topics
 - Experiences from small experiments, especially from nuclear physics community
 - Accelerator usage (with Compute Accelerator Forum and other WGs)
 - More on C++ evolution (together with Tools WG)
 - Scalable I/O (using ROOT, HDF5, etc)
