

Contribution ID: 1

Type: Higgs

Strange Quark as a probe for new physics in the Higgs sector

Wednesday, April 20, 2022 4:45 PM (13 minutes)

Your main area of your contribution

Future e+e- collider experiment

Primary authors: BASSO, Matthew (University of Toronto (CA)); CAIRO, Valentina (CERN)

Presenters: BASSO, Matthew (University of Toronto (CA)); CAIRO, Valentina (CERN)

Session Classification: Wednesday sessions

Track Classification: Higgs track
