International Relations Sector  
*Secteur Relations Internationales*

# Updates from CERN

# Situation at CERN

- CERN is currently in **GREEN**, the “old normal”
- Group visits cancelled up until end of April
  - visits capacity is being re-evaluated
- $\mu$ Cosm is visitable in line with Swiss rules
- S’Cool LAB is usable in line with Swiss rules
- Universe of Particles to re-open in April (closed due to works)

# Internship Programmes

- HSSIP Pilot comes to a close
- Internship programmes at CERN are being re-thought in a wider perspective
- In due course, we'll contact you in order to understand your countries' needs/wishes/suggestions for school-level internship programmes at CERN.
