

**Session Program**

**11-16 Jun 2023**

**16th Varenna Conference on Nuclear Reaction  
Mechanisms**

***Photons and leptons***

Villa Monastero  
Varenna (Italy)

## Thursday 15 June

17:30

### Photons and leptons

**Session** | **Location:** Villa Monastero, Varenna (Italy) | **Convener:** Filomena Nunes

17:30–18:00

#### Microscopic description of photoabsorption and deexcitation processes

**Speaker**

Dr Nicolas Schunck

18:00–18:20

#### Noniterative finite amplitude methods for giant resonances and the application to the neutron radiative capture cross sections

**Speaker**

Hirokazu Sasaki

18:20–18:40

#### Electron screening in low-energy nuclear reactions

**Speaker**

Aleksandra Cvetinović

18:40
