

16th Varenna Conference on Nuclear Reaction Mechanisms

Thursday 15 June 2023

Photons and leptons (17:30 - 18:40)

-Conveners: Filomena Nunes

time	[id] title	presenter
17:30	[62] Microscopic description of photoabsorption and deexcitation processes	Dr SCHUNCK, Nicolas
18:00	[11] Noniterative finite amplitude methods for giant resonances and the application to the neutron radiative capture cross sections	SASAKI, Hirokazu
18:20	[38] Electron screening in low-energy nuclear reactions	CVETINOVIĆ, Aleksandra
