## Recent Heavy Ion Results from ATLAS

*Friday 9 September 2022 12:20 (20 minutes)*

Recent results in heavy ion physics from ATLAS

### Details

Martin Spousta  
martin.spousta@cern.ch (Charles University)

### Is this abstract from experiment?

Yes

### Name of experiment and experimental site

ATLAS

### Is the speaker for that presentation defined?

Yes

### Internet talk

Maybe

**Authors:** VARNES, Erich Ward (University of Arizona (US)); SPOUSTA, Martin (Charles University)

**Presenter:** SPOUSTA, Martin (Charles University)

**Session Classification:** Heavy Ion Collisions and Critical Phenomena
