## Recent Higgs boson results from ATLAS

*Tuesday 6 September 2022 12:00 (20 minutes)*

Summary of recent Higgs boson results from ATLAS

### Details

Mr Soshi Tsuno

soshi.tsuno@cern.ch (High Energy Accelerator Research Organization (JP))

### Is this abstract from experiment?

Yes

### Name of experiment and experimental site

ATLAS

### Is the speaker for that presentation defined?

Yes

### Internet talk

Maybe

**Authors:** VARNES, Erich Ward (University of Arizona (US)); TSUNO, Soshi (High Energy Accelerator Research Organization (JP))

**Presenter:** TSUNO, Soshi (High Energy Accelerator Research Organization (JP))

**Session Classification:** High Energy Particle Physics
